

REMARKS

Applicants have replaced the abstract and amended the claims to improve the claim language and to eliminate improper multiple dependent claims. Applicants have also amended the specification to correct some headings and to rearrange some of the description. Applicants attach a clean copy of the application as amended above in the second Appendix . No new matter has been added, nor has the claim scope been narrowed by these amendments.

Early action allowing claims 1-16 is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 358362011500.
